

State Board of Education Meeting  
Lansing, April 9, 2013

## MDE/AdvancED Partnership

- Collaboration between MDE, NCA, and AdvancED to streamline the end-to-end school improvement process and minimize duplication of effort
- Alignment of AdvancED's Accreditation Process and MDE's School Improvement Framework
- All schools and districts use a common improvement process and a common technology platform (one third of schools, 100 districts, and 7 ESAs/ISDs accredited by NCA)
- Unified project team and unified support team in place that leverage field resources

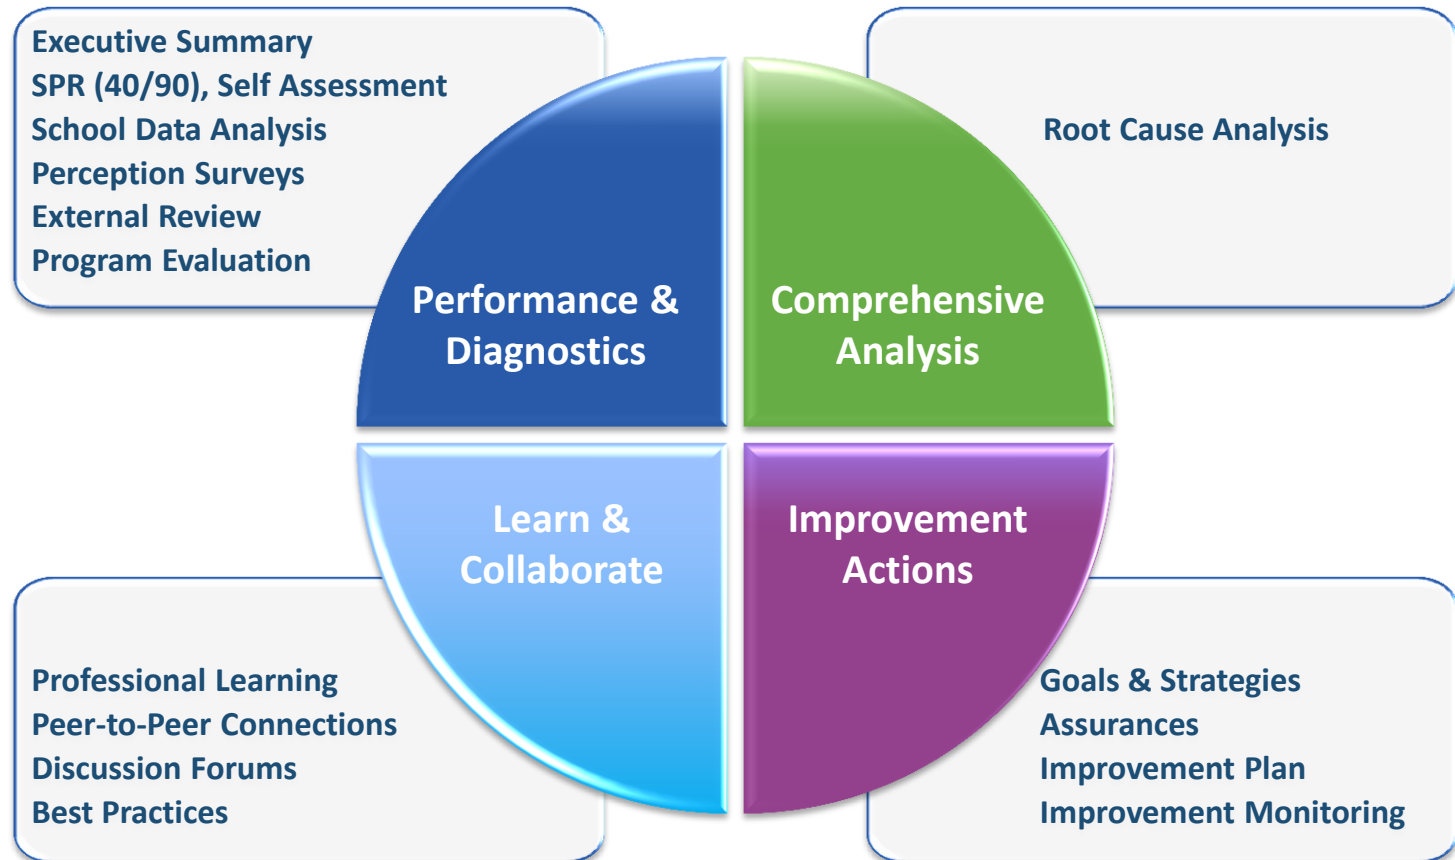

## Evolution of Our Work

- Initial focus on EdYES! statewide reporting (SPR(40), SPR(90), Self Assessment)
- Adoption of a statewide School Improvement Plan (schools and districts)
- Integration of state and federal requirements (including Title I requirements)
- Implementation of School Data Analysis and perception surveys
- Streamlined reporting for Focus and Priority Schools

# ASSIST Framework

## Upcoming Work

- Complete current reporting cycle
- Program Evaluation Diagnostic Tool
- Community Survey translations
- Use of goals as evidence for Focus and Priority Schools
- Analysis of statewide school improvement data
- Enhancements based on feedback from the field
